

# HONORING THE LIFE OF BOB EGOLF

## HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 11, 2021*

Mr. BANKS. Madam Speaker, I rise today to honor the life and legacy of Mr. Bob Egolf of Churubusco, Indiana.

For 65 years, Egolf worked in the grocery business. He started his career at John Shelton's IGA, located on North Main Street in Churubusco in 1956 when he was 14 years old. Seven years later, he purchased the grocery from Shelton in 1967, and in 1982 built a new store south of Churubusco on US 33.

Egolf's IGA is known throughout the area for its freshly cut meats and daily baked bakery items. Egolf opened the store early and closed late, operating from 7 a.m. to 10 p.m. seven days a week. He made it a point to talk with his customers and would take special orders of items that people wanted.

Egolf was one of the longest continuous business owners in Churubusco's history. In addition to running his business, he frequently gave his time and money to local causes. But for Egolf's partnership with the Churubusco News, the newspaper would not exist today. He also contributed to the community through various organizations, such as with the Churubusco Area Jaycees, Churubusco Chamber of Commerce and as a longtime Smith Township trustee.

The story of Mr. Egolf is one that is uniquely American: defined by hard work, sacrifice, and service to others. Though Bob is no longer with us, his spirit of good will and generosity to those in Churubusco and beyond endures.

# RESOLUTION IN SUPPORT OF THE GLOBAL PARTNERSHIP FOR EDUCATION

## HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 11, 2021*

Ms. MENG. Madam Speaker, I rise today to express my support for the Global Partnership for Education, the largest global fund solely dedicated to transforming education in lower-income countries.

Access to quality education reduces poverty, advances economic prosperity, improves peace and security, and strengthens public health. As we now know too well, COVID-19 has compounded the barriers that keep kids from being educated both here at home and around the world.

International basic education programs, including GPE, increase equitable access to education, providing children with foundational reading, math, social, and emotional skills.

Access to education is severely impacted by emergencies. 1 in 3 children and young people are out of school in countries affected by conflict or disaster, and half of school-age refugee children are out of school. And, of course, 1.6 billion children in more than 190 countries were impacted by the closure of educational institutions at the peak of the COVID-19 pandemic. GPE works in the countries with the greatest need, targets the hard-

est to reach children, and can respond quickly to emergencies.

I thank my colleagues, Representatives BRIAN FITZPATRICK and MIKE QUIGLEY, who have joined me to introduce this important resolution. I urge all of my colleagues to cosponsor this resolution, which affirms the leadership and commitment of the U.S. to improving access to quality, inclusive public education; calls for multi-year pledges from the U.S. to allow GPE to maximize its impact in supporting governments to provide this education; and calls on the State Department and USAID to promote children and youth attending schools around the world.

Madam Speaker, we know the value and impact quality education can make on one's dignity, wellbeing, and livelihood. This resolution affirms that every child deserves to reach their fullest potential.

# IN RECOGNITION OF JUDY JUDA

## HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 11, 2021*

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to congratulate Judy Juda of Duncansville, Pennsylvania on receiving the Blair County Chamber of Commerce's Athena Award, which recognizes individuals who have high professional ambitions, perform well in their fields, and devote time to meaningfully improve the Blair County community.

While serving as the Program Director for the Blair County Chamber of Commerce, Judy was instrumental in forming several programs designed to benefit women as they seek, obtain, and hold leadership positions in their community. She has been recognized for her work on We-LEAD, Leadership Blair County Adult, Leadership Blair County Youth, and other programs offered through the Chamber.

On behalf of Pennsylvania's 13th Congressional District, I congratulate Judy on this accomplishment and thank her for her service to the Blair County community.

# HONORING THE LIFE OF ROYANNE ORTIZ

## HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 11, 2021*

Mr. GOSAR. Madam Speaker, I rise today to honor the life of a great Republican leader and public servant, Royanne Ortiz. As a resident of Bullhead City for 10 years, Royanne graciously and selflessly used her leadership skills to benefit Arizonans. Her bold leadership was reflected in her role as District Director for Mohave County Republican Central Committee since 2017 and through the many successful Lincoln Day Dinners she oversaw in District 2.

Royanne was also well known for her fearless approach towards education policy issues. Her tenacity and passion for education reform even led her to running for the 2020 Mohave Community College Board. Her commitment to civic duty and her community was regularly reflected through her participation in

meetings hosted by the Bullhead City Council, Colorado River Republican Women Club, and Colorado River Union High School District. I believe Royanne Ortiz is a great example of a Republican woman and her impact and involvement will not be forgotten by her community.

Madam Speaker, I express my deepest condolences to the family of Royanne Ortiz on her passing, and I encourage my colleagues to join me in celebrating her life and legacy as a valuable civic servant to the people of Arizona.

Over the past year, they have faced challenges most of us cannot even imagine. They have shown incredible resolve in the face of adversity. They have shown us all how to seek positivity and hope in each day as we weather the storms that come our way.

I couldn't be more thankful to represent the incredible people across South Dakota and all over the nation who work hard each day, not for fame, not for recognition or for money, but for the betterment of their communities. This is what makes America strong. I am grateful for the opportunity to recognize these hard-working individuals.

#### RECOGNIZING DETECTIVE TONYA DAVIS IN HONOR OF WOMEN'S HISTORY MONTH

##### HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. DIAZ-BALART. Madam Speaker, in honor of Women's History Month, I rise today to recognize Detective Tonya Davis, whose dedication towards protecting and serving her community has left an unforgettable mark on Southern Florida.

Born in Kentucky, Tonya moved to the Naples area with her family at a young age, and still resides there today. Wanting to serve her community, in 1999 Tonya joined the Collier County Sheriffs Office as a 9-1-1 dispatcher. For four years, she worked in the communications division and then became

certified as a law enforcement officer, where, in 2003 she began serving as a road patrol deputy. In 2007, Tonya became a detective with the General Crimes Bureau and uses her expertise to support victims and investigate crimes such as arson, fraud, larceny, and burglary.

Detective Davis has a continued passion to learn and better herself. In 2009, she received her associate degree, magna cum laude, in criminal justice technology from Edison State College. In 2011, she remained at Edison State College and obtained her bachelor's degree, summa cum laude, in public safety administration. Still eager to learn, Tonya graduated summa cum laude from Barry University with her master's in administration.

Those that know her best describe Detective Davis as selfless, dedicated, and committed to serving her community. Throughout her career, Tonya has received numerous accolades, and has proven to be an officer that her community can trust and depend on. She is determined to make schools in Collier County a safer place for students, an initiative which I have also fought for throughout my time in Congress. Detective Davis has touched the lives of thousands of students and continues to find ways to give back to Collier County.

Madam Speaker, I cannot speak more highly of Detective Davis's service to Southern Florida. She has proven time and again to be a reliable and trustworthy individual, and I ask my colleagues to join me in recognizing this outstanding individual.

#### RECOGNIZING JESSE TOLLESON FOR HIS SERVICE TO THE UNITED STATES CONGRESS AND HOUSE ARMED SERVICES COMMITTEE

##### HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. SMITH of Washington. Madam Speaker, I rise today to recognize and thank Mr. Jesse Tolleson for his years of service to the United States Congress and congratulate him on his transition to commercial industry. A graduate of James Madison University, Jesse has served our country for over 22 years beginning as a Staff Assistant on the Armed Services Committee and became one of the few people in our committee's history to promote directly into a Professional Staff Member position.

Since 1999, Jesse has been responsible for evaluating and making recommendations for legislation, policy, and the authorization of appropriations across the entire spectrum of issues within the jurisdiction of the Tactical Air and Land Forces Subcommittee. This is a significant responsibility as the complexity and volume of aviation, maritime and ground-based weapon systems, equipment, and programs in the subcommittee's jurisdiction includes hundreds of items valued in the tens of billions of dollars. Committee members have always recognized and depended upon Jesse's intelligence, command of programmatic and policy details, and uncompromising insistence on the objective facts from the defense agencies and industry.

Over these years, Jesse's recommendations have contributed to the readiness and modernization of our Armed Forces. It is no overstatement to say that Jesse's determination and commitment in the early years of the wars in the Middle East, especially his work in support of congressional acceleration of the development and procurement of improved body armor and Mine-Resistant Ambush Protected (MRAP) vehicles, saved the lives of many service members who served in Iraq, Afghanistan, and elsewhere. The bipartisan and bicameral success that the Armed Services Committee has enjoyed for the last 22 years is due in no small part to Jesse Tolleson's professionalism, integrity, devotion to the committee's traditions, and collegiality.

Madam Speaker, on behalf of the House Armed Services Committee, we extend our deepest appreciation to Jesse for his dedicated and selfless service to the committee, the Congress, and the military and civilian personnel of the Armed Forces. We wish him and his family all the best as they start this next chapter.

#### AMERICAN RESCUE PLAN

##### HON. MADELEINE DEAN

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Ms. DEAN. Madam Speaker, yesterday, I was delighted to join my colleagues in voting in favor of the American Rescue Plan.

This transformative legislation will provide: shots in arms; kids safely in schools; needed cash in pockets; support to our small businesses, including restaurants and catering that have been hit the hardest; \$13 billion to my home state of Pennsylvania; and \$161 million to Montgomery County and \$81 million to Berks County—where my district resides.

It should not be lost on us that we passed this relief in women's history month.

With over 2.3 million women forced to leave the workforce—including 1 million mothers—the time to invest and reinvigorate our economy for everyone is now.

As the first female Secretary of the Treasury, Janet Yellen, recently said, To avoid the long-term scarring of the economy later, the smartest thing we can do is to act big and so we did.

We acted big boldly. Sending resources to the poor and working poor, we passed \$1.9 trillion for the people. Help is on the way.

#### SUPPORT OF ARIZONA STATE HOUSE BILL 2111

##### HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. GOSAR. Madam Speaker, I rise today in strong support of Arizona State House Bill 2111, the "Second Amendment Firearm Freedom Act". This bill takes an originalist and strong stance on Arizonans' right to bear arms. I am grateful for the work by all members of the state legislature who introduced this legislation. I would especially like to thank State Representative Leo Biasucci for his support of the Second Amendment.
